

# Medium-Heavy Duty Food & Beverage Blenders

## TBB Series

- Vinyl lid for hot and cold food/beverage blending
- Removable center cap to feed ingredients while blending
- Heavy-duty stainless steel blade with solid steel blending assembly – built to last, but completely user-replaceable
- Aggressive blade design works in concert with the wide jar base to draw maximum amount of product into the vortex
- Heavy-duty motor – high performance 2 HP, 2-speed motor, with 24,000 max RPM. Recommended for 50–74 drinks per day, and blends three 16 oz. margaritas in 8 seconds or less

Limited Two-Year Warranty

120V, 60Hz, 5-15P
